V. New business	
A. **GenEd profile and website.** SLC reviewed updated SL webpages. They include ATD resources as well as updated GenEd program profile and course descriptions. GenEd profile organizes goals, SLO's, measures, and courses in one table/framework. Members were asked to review profile with departmental colleagues. It will be an action item at next SLC meeting. B. **GenEd assessment S20.** GenEd profiles calls for assessing courses on a goal/semester basis. Members reviewed Google Sheets data collection form for assessing Goal One courses in spring 2020. C. **Program assessment.** McLaughlin reviewed Scorecard with SLC members. Will share with all SLC members. D. **Peer review Thu May 21.** Deadline for faculty to submit SLR's online will be Wed May 20. Accommodations must be made for CTE faculty, who plan to extend semester by 2 weeks so they can conduct end-of-semester student assessments. Peer review by SLC will take place on Thu May 21. Details, forthcoming.
