

ARE YOU TAKING FALL ONLINE COURSES?

Have you checked your NTU Skyhawk email?

Check your Skyhawk email for course information. If you don't see a welcome message, you can access course information and resources directly to your online course at <https://navajotech.blackboard.com/>. Week One starts on Monday, August 21st, you need to login into Blackboard Ultra and participate before you are dropped from the course for non-participation.

If you do not have a Blackboard, MyNTU, or Skyhawk account or you forgot, please see the IT department preferably, Mr. Dody Begay, dody.begay@navajotech.edu or its@navajotech.edu, IT Department.

Reminder: All students need to use the Single Sign-On (SSO) procedures to access your accounts, more information can be found at <http://www.navajotech.edu/students/distance-education>.

All students are required to do their own work, participate, and uphold academic honesty. If you have a disability and need extra support, contact the special needs counselor at 505.786.4163. For more information about online courses, contact E-Learning Director Coleen Arviso at ccarviso@navajotech.edu. Or go to NTU's Website for E-Learning resources.

You need access to three required NTU Accounts to be a successful learner through the SSO.
Blackboard Ultra: Learning Management Platform to complete coursework and interact with your professor.

MyNTU: Obtain your schedule, unofficial transcript, view your mid-term and final grade, and the potential to register for courses if you have no holds.

Skyhawk Email: All students are required to use Skyhawk email as the official communication resource within NTU. This is a federal requirement and policy.
